

Technische specificaties

Electrical

Specification	Details
Rated Power	7kW (1-ph) or 22kW (3-ph)
Rated Supply Voltage	230V AC Single Phase or 400V AC 3-phase (+/- 10%)
Supply Frequency	50 Hz
Rated Current	32A max
Standby Power Consumption	3W
Integral Earth Leakage Protection Integral	30mA Type A RCD + 6mA DC protection (EN 62955)
Economy Tariff Sense	Input 230V AC sensing (4.0kV isolated)
Tethered Cable Length	6.5 Meters

Mechanical

Specification	Details
Enclosure Dimensions	439 x 282 x 122mm
Protection Degree	IP65 (weatherproof)
Enclosure Material	ASA
